Profile

Computer Science graduate (B.Sc., Tel-Hai College 2026), experienced in academic and industry-oriented projects with Google, NVIDIA, and Check Point through Excellent Team bootcamp. Skilled in Python, C++, and JavaScript with a strong foundation in algorithms, OOP, and teamwork. Completed full military service, bringing discipline and resilience. Seeking a junior software or full-stack developer position.

Technical Skills

Languages: Python, C, C++, C#, Java

Web: HTML, CSS, JavaScript, React

Tools: Git, Node.js, Flask, Linux, Docker

Concepts: OOP, Design Patterns, Data Structures, Algorithms

Databases: MySQL, SQLite

Projects

Excellenteam in Academy Program – Startup Nation Central (2024)

5-week intensive bootcamp mentored by engineers from Google, NVIDIA, and Check Point, focused on production-grade development, clean code, teamwork, and problem-solving.

[Check Point Project](#) – Distributed Real-Time Chat Application (2025)

Developed a microservices-based chat system over TCP/WebSocket with real-time messaging. Added DLP filtering, URL blocking, anti-spam logic, and basic threat-prevention modules. Designed modular backend architecture with logging and message routing.

[Google Project](#) – Autocomplete Search Engine (Python)

Built a trigram-based fuzzy search engine with scoring, indexing, and efficient prefix matching. Implemented tokenization and ranking logic and delivered a full CLI interface.

Wood & Weave – E-commerce Website | [Live](#) | [GitHub](#)

Built a made-to-order furniture e-commerce site with product catalogue and custom order flow. Deployed on Vercel.

Daniel-Words | [Live](#)

Developed a word-based application focused on text processing and interactive gameplay. Implemented efficient string handling, word lookup, and scoring logic, with a clean, modular design emphasizing readability and maintainable code.

Experience

Technical Support – Bezeq (2020–2022)

-Provided network and communication technical assistance, troubleshooting issues in real-time.

-Handled English-speaking phone calls, serving as the main contact for international clients.

Military Service

Israel Defense Forces – Completed full mandatory service.
